

THE PROTECTION OF PERSONAL INFORMATION ACT (POPIA)

CLIENT/USER PRIVACY PROTOCOLS POLICY

Preamble

The purpose of this policy is to advise the client/ user (data subject) of Pitto (Pty) Ltd (The Company) services, both electronic and otherwise, why data is collected and processed, what data is in focus as well as how it is processed. The company is committed to the full compliance of the POPI Act insofar as the utilisation and disclosure of data subject personal information (PI) is concerned. Hence, technical, and operational measures have been put in place to protect data subject privacy and the company invites all data subjects and/or requesters to engage with its Information Officer (IO) in respect of any matter related hereto.

Scope of application

The policy applies to data subjects under the POPI Act and its principles extend to the Promotion of Access to Information Act (PAIA) in respect of requesters of records held by the company. PI applies to both natural and juristic persons. Data subjects and requesters are invited to engage with the company Information officer about any matter pertaining to the POPIA and PAIA, including but not limited to updating PI, deletion of PI, complaints in respect of how PI is being processed and updating consent for electronic direct marketing.

About The Company

Pitto (Pty) Ltd is a fully grower owned export company for table grapes, looking after the marketing and logistics of the farms. We believe in farming with nature rather than against it. More details in this regard can be obtained on our website.

Definition of Personal Information (PI)

“Personal information” means information relating to an identifiable, living, natural person, and where it is applicable, an identifiable, existing juristic person, including, but not limited to-

- a) Information relating to the race, gender, sex, pregnancy, marital status, national, ethnic, or social origin, colour, sexual orientation, age, physical or mental health, well-being, disability, religion, conscience, belief, culture, language, and birth of the person.
- b) Information relating to the education or the medical, financial, criminal or employment history of the person.
- c) Any identifying number, symbol, e-mail address, physical address, telephone number, location information, online identifier, or other particular assignment to the person
- d) The biometric information of the person
- e) The personal opinions, views, or preferences of the person

- f) Correspondence sent by the person that is implicitly or explicitly of a private or confidential nature or further correspondence that would reveal the contents of the original correspondence.
- g) The views or opinions of another individual about the person; and
- h) The name of the person if it appears with other personal information relating to the person or if the disclosure of the name itself would reveal information about the person.

Purpose of Collecting and Processing PI

The Company processes PI for various purposes including for –

- Facilitating transactions with data subjects
- Collecting data for statistical purposes to improve its services.
- Fulfilling its contractual obligations to its clients and client contacts
- Complying with the provisions of statute and regulations
- Attending to the legitimate interests of data subjects
- Identifying prospects for enhanced service delivery and business sustainability
- Tracking data subject activity on the website and its links as well as their transactions with the company
- Confirm and verify data subject activity or to verify that they are authorised users for security purposes.
- Conduct market or customer satisfaction research
- Audit and record keeping purposes.
- In connection with legal proceedings.

Lawful Basis

In respect of the processing of PI as provided for above, The company will adhere to the conditions for the lawful processing of PI, based on its desire to provide data subjects services in their best interest as well as a legitimate interest of The Company to achieve its business objectives

Period of Holding Personal Information

The Company endeavours to provide the most accurate information possible to stakeholders, including data subjects. The Company seeks to verify the accuracy of its information as frequently as possible and to remove information that it learns to be inaccurate. Thus, The Company intends to process the information it has about data subjects for so long as it is accurate or until the data subject instruct the company to refrain from processing it. Notwithstanding the above, The Company shall hold PI for such period as may be required in terms of statutes such as the Companies Act and various labour laws.

We collect and process your personal information mainly to contact data subjects for the purpose of understanding their requirements and delivering services accordingly. Where possible, we will inform data subjects what information they are required to provide the company and what information is optional, as well as the consequences of not providing the said information.

Disclosure of information

The Company may disclose data subject PI to its service providers who are involved in the delivery of products or services data subjects. The Company has agreements in place to ensure that it complies with the privacy requirements as required by the POPI Act.

The company may also disclose data subject PI:

- Where it has duty or a right to disclose in terms of law and/or industry codes
- Where it believes it is necessary to protect its rights

Information Security

The Company is legally obliged to provide adequate systems, technical and operational protection for the PI that holds and to prevent unauthorized access to as well as prohibited use of PI. The Company will therefore on a regular basis review its security controls and related processes to ensure that the PI of data subjects remains secure.

The Company has conducted an impact assessment across all its functions and used the findings thereof to manage risk optimally as well as to provide iterative improvements on an ongoing basis.

The Company also ensures that it contracts with Operators as required by POPI and it requires appropriate security, privacy, and confidentiality obligations of these operators in order to ensure that personal information is kept secure. The same protocols apply to any party to whom the company may pass PI on to for the purposes mentioned herein.
